CAMP VALUES

At the heart of everything we do on camp are our values: Drive, Resilience, Empower, Adapt, Mentor and Success – which together form DREAMS

WHERE DREAMS ARE MADE

Our values are designed to equip players with the qualities and skills to thrive both in sport and life. Each day of camp is built around one of these values, shaping the focus of coaching sessions, afternoon workshops, and English lessons. Together, players will explore what these values mean and how they can embody them while on camp and carry them forward long after they leave.

Give your best effort in everything you do

RESILIENCE
Be brave enough to step outside your comfort zone

EMPOWER

ENGLISH TEACHING

WHAT TO EXPECT

Classes focus on sport, harnessing students' passion for the subject to promote language learning in a fun and interactive environment. Using the CLIL (Content and Language Integrated Learning) model of English, qualified teachers infuse language learning into lively and active classes where sports-based projects, discussions and activities take centre stage.

Teachers guide students to improve their verbal communication skills while discussing legendary sports people and events, interviewing coaches, or writing and speaking their own commentary of a famous sporting moment. Learning is supported by English teachers living on-site and English is spoken at all times throughout the camp, creating an immersive learning environment.

HOW IT WORKS

Students are grouped into classes based on a combination of age and ability. They complete a short online assessment before the camp starts and then speak with a teacher on arrival to ensure they are correctly placed for their level. At the end of the camp, each student receives a written report and advice on how to continue their learning at home.

THEME PARK

13-NIGHT CAMPS ONLY

LONDON EXPERIENCE

EVERY OTHER WEEK

LIFE ON CAMP

Camps are action-packed with sport, learning and meeting friends from around the world. Child welfare is at the heart of what we do, and camp life is designed to provide a fun and supportive environment for students to grow in skills and confidence.

ACCOMMODATION

Students stay in boarding houses on campus based on age group, with boys and girls in separate houses. All houses have a communal players' lounge for relaxing during downtime. Some boarding houses have single bedrooms only. Where houses have shared bedrooms, we may be able to accommodate roomshare requests.

DIET, NUTRITION AND HYDRATION

Meals are nutritionally balanced and designed for young athletes. There are a variety of options to choose from, including a vegetarian option. Welfare staff guide each student to ensure they are eating and drinking enough of the right foods during the camp. Coaches ensure students drink plenty of water during training sessions.

WELFARE STAFF

There is a dedicated camp management and welfare team on-site all day and night. They are trained to look after students' wellbeing and are always on hand to help, support and guide campers to have an incredible experience.

MEDICAL AND INJURY

Medical staff are available each day to monitor illness, medical conditions and dispensation of medication. Further support and advice is provided by an on-call private doctor. Sports therapists or physiotherapists are present during sports sessions in case of injuries and subsequently to advise on recovery.

MOBILE PHONES

We want players to make the most of their time at camp and connect fully with their fellow campers. Device usage is limited to designated periods, giving players the chance to contact home while encouraging them to engage with others and enjoy the camp experience to the fullest.
