CAMP VALUES

At the heart of everything we do on camp are our values: Drive, Resilience, Empower, Adapt, Mentor and Success – which together form DREAMS

WHERE DREAMS ARE MADE

Our values are designed to equip players with the qualities and skills to thrive both in sport and life. Each day of camp is built around one of these values, shaping the focus of coaching sessions, afternoon workshops, and English lessons. Together, players will explore what these values mean and how they can embody them while on camp and carry them forward long after they leave.

DRIVE
Give your best effort in everything you do

RESILIENCE
Be brave enough to step outside your comfort zone

EMPOWER
Support each other and share positive energy

ADAPT
Be open to change in order to grow

MENTOR
Be a positive role model by showing respect and kindness

SUCCESS
Celebrate each other's successes and everyone becomes stronger

COACHING

360° GOLF

Coaching takes place on the excellent 9-hole course and practice facilities at Bradfield College, including its state-of-the-art performance studio. Players also train at Sandford Springs Golf Club, with its driving range and 27 holes offering an ideal setting to further develop their game.

RAISE YOUR GAME

Coaching sessions involve skill development and technique correction, while the golf performance studio with Trackman 4 technology, Boditrak pressure system, and CAPTO putting analysis provide detailed player feedback. Players leave with a better understanding of their game and how to improve.

ENGLISH TEACHING

WHAT TO EXPECT

Classes focus on sport, harnessing students' passion for the subject to promote language learning in a fun and interactive environment. Using the CLIL (Content and Language Integrated Learning) model of English, qualified teachers infuse language learning into lively and active classes where sports-based projects, discussions and activities take centre stage.

Teachers guide students to improve their verbal communication skills while discussing legendary players, interviewing coaches, or writing and speaking their own commentary. Learning is supported by English teachers living on-site and English is spoken at all times throughout the camp, creating an immersive learning environment.

HOW IT WORKS

Students are grouped into classes based on a combination of age and ability. They complete a short online assessment before the camp starts and then speak with a teacher on arrival to ensure they are correctly placed for their level. At the end of the camp, each player receives a written report and advice on how to continue their learning at home.
